

KEMI OLUWASANMI

FRONT-END DEVELOPER

Profile

I am a task-driven and results-oriented pharmacist in the health sector with a strong interest in web development. I am seeking to leverage my problem-solving skills and my current learning of front-end development by transitioning into a full-stack developer role. I am committed to continuous learning and eager to contribute to innovative and sustainable projects in the future.

PROJECTS

TRAVEL LANDING PAGE

- Developed a Travel Landing Page Using HTML, CSS, and Vanilla Javascript for alerts and prompts.

WEATHER APP

- I used HTML, CSS, and javascript to create a weather app, providing users with real-time weather information and 5-day forecasts.
- Used Axios for weather API call

CLOCK APP

- Built a clock app using JavaScript and moments.JS, allowing users to view the current time in different time zones.

PROFESSIONAL SKILLS

PHARMACIST, NHS.

2015-current

- Excellent communication and interpersonal skills developed through collaboration with other healthcare professionals.
- Strong problem-solving skills with a focus on attention to detail.
- Adaptable with a continuous learning mindset demonstrated by my ability to acquire new technical skills.
